

QUOTE PRICING CLAUSE

The pricing provided in this quote is applicable only to the items and services listed herein and valid for 30 days only.

Any additional work or changes requested by the client shall be subject to variation and will require repricing.

It is important to note that the pricing outlined in this quote is based on the current scope of work and the information provided by you, the client. Any modifications, alterations, or additions to the original specifications may result in changes to the pricing.

Furthermore, any unforeseen circumstances, such as changes in material costs, labor rates, or external factors beyond our control, may also require the need for repricing.

Therefore, it is recommended that the client carefully review the quote and ensure that all requirements and specifications are accurately captured. Any amendments or alterations to the original scope of work must be communicated promptly to our team to allow for appropriate adjustments in pricing.

Please be aware that this quote does not include any ongoing maintenance, support, or additional services unless specifically stated. Any such requirements will be subject to separate pricing and agreement.

Thank you for considering our services, and we look forward to working with you to meet your needs.
